### **Membership**

Valerie Pring (905-252-1019)

### **Former President/Media Relations**

Karin Adams

## Country Images Camera Club

Country Images Camera Club was formed in 1984 to fill a need for a photographic club in York Region. The club is a member of the Greater Toronto Council of Camera Clubs.

The purpose of the club is threefold...

- I. To promote the art of photography.
- II. To inspire interested photographers.
- III. To develop advanced photographic techniques among members.

Country Images Camera Club is for the beginner, intermediate, and advanced photographer alike. Whether you have been involved with photography for many years or have just recently developed an interest, the monthly meetings, workshops, outings and competitions will prove stimulating and educational.

Meetings are held the third Tuesday of each month from 8-10 pm, September to April, at the Newmarket Community Centre, Civic Drive, Newmarket (check the program for exceptions). The program is highlighted by fascinating presentations by professional and advanced amateur photographers.

Outings are an enjoyable way to practice photographic techniques while in the company of fellow enthusiasts. Workshop sessions are also held to provide an opportunity to concentrate on the latest innovations in things photographic. Competitions are held throughout the year to encourage member participation.

Trophies to be awarded during the season include the Pauline Brunner Memorial Nature Trophy, the Harry Cartner Founder's Award for the slide and print of the year, and the Bob Dargent Digital Darkroom Print Award.

The year culminates with the "Photographer of the Year" awards for the various skill levels.
